Like a "boost" from the boss when you're anxious—they satisfy!

When things are going hard and along comes the boss with a good, cheering word—say, doesn't that satisfy?

That's the very thing Chesterfields do for your smoking—they satisfy!

And yet Chesterfields are MILD!

No cigarette maker can copy the *Chesterfield blend*. They're the ONLY mild cigarette that satisfies. This blend is an entirely new combination of tobaccos—the biggest new thing in cigarette making in 20 years.

ELECTION RETURNS

The republicans have elected their county ticket, with the exception of county judge from District No. 2 by from 75 to several hundred votes. The official count will be given next week, but will not make any change in the result.

The latest reports give President Wilson 288 electoral votes.

The democrats claim the state of Missouri by 40,000.

A private message to a friend here from Mrs. W. L. Hensley, says he had a lead of 160 votes and Carter county to hear from, and if this is correct he is elected by probably 350 votes.

J. J. Russell of the Fourteenth district is reported elected by a good margin.

Madison county is reported democratic by about 60 votes.

Cape county elected the full republican ticket except the sheriff.

Scott county elected the democratic ticket in full.

Judge Peter H. Buck is elected, according to the reports.

It would be out of the question for us to give the number of votes in every particular and the official

count cannot be reported until it has been made.
